## LIABILITY WAIVER

In participating in the North County Cycle Club sponsored bicycling activities, I acknowledge and agree as follows:

1. Bicycling activities may be dangerous and may involved risks and dangers that could result in serious bodily injury or death; and
2. I must stay alert and evaluate whether any dangerous conditions exist, including ones that could be man-made and/or existing for short or long periods of time. I understand the routes chosen for the club bicycle rides have not been reviewed by anyone to make any determination as to their current conditions; and
3. The club makes no representations as to safety; road, traffic, animal or weather conditions; level of difficulty; or availability of provisions and/or facilities on routes provided for club rides; and
4. I knowingly and voluntarily assume all risks inherent in bicycling activities when engaging in such activities, and I fully accept all such risks and all responsibility for losses, costs and damages I may incur as a result of participating in such activities; and
5. I have read this agreement, fully understand its terms, understand that I have given up substantial rights by signing it, and intend it to be a complete and unconditional release of all liability the club and its organizers could bear to the extent allowed by law.
